Introduction

These guidelines describe the format for producing your extended abstract. Please follow them, within reason, to maintain consistence in the CD and abstract book. We suggest a single page for the extended abstract, but if this is too constricting, you are welcome to a second page. Should you have any questions, please direct them to Neil Wright, email: ntwright@msu.edu.

Formatting your paper

All text, illustrations, and charts, must be kept within a print area of 6-7/8 inches (17.5 cm) wide by 8-7/8 inches (22.54 cm) high. Do not write or print anything outside the print area. *Text* must be in a two-column format. Columns are to be 3-1/4 inches (8.25 cm) wide, with a 5/16 inch (0.8 cm) space between them. Text should be fully justified.

Main title

The main title (on the first page only, if you have more than one) should begin 1-5/16 inches (3.33 cm) from the top edge of the page, centered, and in 14-point, boldface type. Capitalize the first letter of nouns, pronouns, verbs, adjectives, and adverbs; do not capitalize articles, conjunctions, or prepositions (unless the title begins with such a word). Leave a blank line after the title.

Author name(s) and affiliation(s)

Author names and affiliations are to be centered beneath the title and printed in 12-point, non-boldface type. Multiple authors may be shown in a two- or three-column format, with each affiliation below its respective name. Affiliations are centered below each author name, italicized, not bold. Include e-mail addresses. Follow the author information by a blank line before the main text.

Main text

Type your main text as *single-spaced* in 10-point (Times or Time-Roman suggested). All paragraphs should be indented 1 pica (approximately 1/6- or 0.17-inch or 0.422 cm). Be sure your text is fully justified—that is, flush left and flush right. Please do not place any additional blank lines between paragraphs.

Second page

Should you have a second page, it should begin 1.0 inch (2.54 cm) from the top edge. The bottom margin should be 1-1/8 inches (2.86 cm) from the bottom edge of the page for 8.5 x 11-inch paper; for A4 paper, approximately 1-5/8 inches (4.13 cm) from the bottom edge of the page.

Figure 1. This is an example figure caption.

Figure and table captions should be 10-point Helvetica or a similar sans-serif font, boldface. Capitalize only the first word of each figure caption and table title. Figure captions are to be *below* the figures. Table titles are to be centered *above* the tables.

References

List and number all bibliographical references in 10-point font, single-spaced, at the end of your paper. When referenced in the text, enclose the citation number in square brackets, for example [1]. Where appropriate, include the name(s) of editors of referenced books.
